To

The Secretary to Government,

Grant of certain allowances to the clerical staff of the Drainage Division for doing the work of the Trust Board, Bangalore City.

Sir,

I have the honour to state that the Special Officer, reports in his letter No.153 dated 31st January 1945 that since 28th July 1944 when he took charge of the office as Engineer Officer, the Accountant, Cashier and Typist of the Bangalore City Drainage Division had to attend to the work connected with the Trust Board Office also in addition to their legitimate work connected with the Bangalore City Drainage Division. This could not be avoided for want of the staff to look after the work of the Trust Board Office.

A first grade Superintendent of the Comptroller's office was posted to the Trust Board Office and this official reported for duty on the forenoon of 22nd November 1944 Till then the Accountant of the Division was looking after the work.

The Cashier and the Typist of the Bangalore City Drainage Division are still attending to work connected with the Trust Board office in addition to their work connected with the Bangalore City Drainage Division.

The Special Officer recommends the grant of duty allowance to the three officials for the periods noted against each.

DIRECTOR OF PUBLIC HEALTH.

Letter No.15o dated 21 1.1945 from the Special Officer, Bangalore City Drainage Division, Bangalore, to the Director of Public Health in Mysore, Bangalore.

Grant of certain allowances to the members of the Drainage Division for doing the work of the Turst Board.

I have the honour to state that the office of the Bangalore City Improvement Trust Board was brought into being on 28th July 1944 when I took charge of that office as Engineer Officer as per Government Order No.I. 651-6/Ml. 157-44-1 dated 25th July 1944 No other staff was appointed for the office then and the services of the Accountant, Cashier and Typist of the Drainage Division had to be freely availed of for the work connected with the Trust Board Office ~~The officials named above attended to Board office.~~ The officials named above attended to the additional work that devolved on them willingly

The Accountant did a lot of spare work by working overtime in connection with the Trust Board Office in addition to his usual work of the Drainage Division till a First Grade Superintendent of the Comptroller's office reported for duty on 22nd November 1944 as per Law Secretary's letter No.I. 4655 dated 11th November 1944 This official may be granted an allowance of Rs 15/- per mensem from 25th July 1944 to 22nd November 1944.

The additional work of the Cashier consists in preparing salary, Establishment and T A.Bills of the Trust Board staff, in passing bills and also in attending to the monetary transactio connected with works and contingent expenditure.

There being only one typist the entire typing work both of drainage division and that of the Trust Board Office is being attended by one Typist.

Separate proposals for appointment of staff to the Trust Board office were submitted by me to the Law Secretary, in this office letter No 28 dated 24th August 1944 and beyond the posting of a First Grade Superintendent of the Comptroller's office no other ministerial staff has been posted. As such the Cashier and Typist are still attending to the work connected with the Trust Board

office.

The incumbents, their salary and the period for which the Duty allowance is recommended are detailed below.

Name	Designation	Present salary	D.A. recommended.
1. Mr. S. Venkataraman	Accountant	Rs 75/-	Rs 15/- p.m. from 25.7.44 to 27.11.44
